Government Traveler Card

GOV

For Government rates please present this on-line card to assist in identifying you as an authorized government traveler and qualify for government rates at participating hotels.

More than 3,000 participating hotels provide government rates to active, federal, state, local and international government employees and cost-reimbursable contractors (CRCs) on official travel. Rates are not valid in conjunction with any special promotion, discount rate or group rate. Special event and blackout dates may apply and rooms are limited.

A large number of participating hotels also offer unique amenities customized to government travelers in their hotels, such as: free continental breakfast, free local telephone calls, or more...and it's included in your government hotel rate.
